

Maria Negley

Senior Solutions Engineer

Denver, CO | (210) 286-6238 | mbn262@gmail.com | [LinkedIn](#)

PRESALES HIGHLIGHTS

6+ years of experience in Solutions Engineering, specializing in ITSM and business process automation across healthcare, finance, and technology verticals.

- **Sales Revenue Impact:** Influenced \$475K in revenue across 8 enterprise deals at Freshworks in Q4 2025, contributing to \$2.1M in new business ARR for the year.
- **Technical Demonstrations:** Designed and maintained Freshworks' team Sales Demo environment and built reusable enablement playbooks and demo scripts adopted team-wide, reducing ramp time for new Solutions Engineers.
- **PreSales Leadership:** Led the Agent Shadow Project, mapping 37 use cases across 7 departments into an org-wide discovery readout, and built the demo instance used for Freshworks' Gartner submission.
- **Cross-Platform & AI Fluency:** Worked across CX, ITSM, and CRM simultaneously, translating workflow automation and AI-assisted service concepts into value stories for both IT and customer support stakeholders, experience that spans the two worlds Sierra's agents sit between.

EXPERIENCE

Freshworks (*ITSM / Business Process Automation*)

4 Years 7 Months

Senior Solution Engineer

Jan 2022 - Present

Contributed \$2.1M in new business ARR (127% of goal) and \$3.9M in expansion ARR (236% of goal) across Commercial and Enterprise accounts in 2025, with an average deal size of \$80K and a largest deal of approximately \$205K.

- Attained 132% of 2025 annual OTE, recognized with the Deal Crusher (Q4 2025) and Catalyst Strategy (Q3 2025) awards for execution and strategic impact.
- Achieved 206% of Net New Business ARR quota in Q1 2026 and 114.87% in Q2 2026, delivering back-to-back over-attainment quarters.
- Closed named commercial and enterprise accounts through structured technical discovery, tailored demos, and POV sessions, including US Anesthesia Partners, Drive Time, Smile Doctors, Ernest Health, Covia Residential, and Cornerstone Caregiving.
- Won approximately 35 new logos since January 2025 while covering a territory outside formal quota alignment due to open SE headcount.
- Partner cross-functionally with AEs and RSMs to align technical and deal strategy, positioning Freshworks as the credible alternative in competitive deals against ServiceNow.
- Mentor and onboard incoming Solutions Engineers, including the Device42 acquisition cohort, into Freshservice products and processes.
- Design and maintain the team's Sales Demo environment and build reusable enablement playbooks and demo scripts, adopted team-wide to reduce new-rep ramp time.
- Led the Agent Shadow Project, mapping 37 use cases across 7 departments into an org-wide discovery readout, and built the demo instance used for Freshworks' Gartner submission.

Watermark (*Higher Education SaaS*)

4 Years 9 Months

Solutions Engineer

Jul 2020 - Jan 2022

- Delivered dynamic, tailored product demonstrations to prospects as subject-matter expert on Watermark's functionality, application, and deployment methodologies.
- Built and maintained Sales-dedicated demo environments and server configurations with accurate, current demo data to support the sales team.
- Partnered with internal teams to relay prospect feedback into the product roadmap and developed enablement materials to support the sales process.

Client Success Manager (**Northwest, North-Central America & LATAM**)

May 2019 - Jul 2020

- Managed client relationships across the Northwest, North-Central America, and LATAM regions, driving product adoption across multiple departments and campus leadership levels.
- Built trusted-advisor relationships that converted successful clients into vocal advocates for Watermark.

- Served as the primary point of contact for client implementation and post-implementation projects, resolving roadblocks to accelerate time-to-value.
 - Developed risk-management strategies to keep at-risk projects on track and onboarded new partner institutions to the implementation process.
-

- M.A., STEM Education, The University of Texas at Austin
 - B.S., Mathematics, The University of Texas at Austin
-

EXECUTIVE ENDORSEMENTS

"Maria's sense of customer ownership is second to none. She understands the importance and nuance of discovery not to make the sale easier, rather to build a meaningful solution for her customers that is durable and truly impactful."

Customers would comment to me that they trusted her guidance and appreciated her willingness to go deep to truly understand their pain. This, combined with her collaborative efforts with the sales team and leadership helped drive the opportunities to successful conclusions. And when she presented the solution, she nailed it. Every time. It's why she was consistently a top performer on my team at Freshworks."

- Ryan Vesely, Technical Sales Executive @ PlayerZero

"I've had the pleasure of working with Maria and have consistently been impressed by her expertise as a Solution Engineer and her commitment to customer success. She has a strong ability to translate complex technical concepts into clear business value, making her a trusted advisor to both customers and internal stakeholders."

Beyond her technical skills, she is an exceptional cross-functional partner who collaborates effectively across sales, product, and engineering teams to drive successful outcomes. Her professionalism, responsiveness, and positive attitude make her a tremendous asset to any organization."

- Garrett Prince, Enterprise Account Executive @ Freshworks
